

WHO WE ARE

- Headquartered in Chicago, RiverGlade's Managing Partners founded the firm in 2017 after nearly two decades of investing together
- Pursue control and selective minority investments in growth-oriented healthcare services companies
- Proven track record of partnering with founders and management teams to cultivate a cohesive, collaborative and nimble culture
- Disciplined and repeatable approach of combining our healthcare investing and operating experience to grow exceptional companies
- Currently investing through RGC Fund I; transaction values of \$25 - \$150M with equity investments of \$20 - \$80M per platform

OUR APPROACH

We are team-oriented partners who bring the resources and experience necessary to support company execution and growth

- Deep Domain Expertise: Invest in a core vertical – healthcare services – and have for over 20 years
- Collaboration: Partner with founder-owned and operated businesses
- Growth: Drive value creation through organic growth, acquisition and de novo-based expansion strategies
- Talent: Infuse talent where needed to drive scalability while respecting entrepreneurial cultures
- Executive Healthcare Advisory Council: Utilize highly experienced operating executives to support portfolio investments

BUSINESS MODELS

- Multi-unit / facility-based care models
- Outsourced services
- Tech-enabled solutions
- Medical products / distribution
