

WHO WE ARE

RiverGlade Capital is a private equity firm focused on **control buyouts of growth-oriented, lower middle market healthcare companies**. Through **partnership** with founder-owned, high-quality, differentiated businesses, RiverGlade strives to **accelerate value, professionalize, and transform** organizations into highly attractive strategic assets. RiverGlade's Managing Partners, who founded the firm in 2017, have been investing together for more than two decades and bring the **resources, relationships, and validated methodologies** to help scale exceptional healthcare companies.
